Dear sirs and madams,

Letter of thanks

On behalf of myself, staff, parents and pupils of the above named school, we will like to register our sincere thanks and appreciation for all what you have been doing to sponsor the pupils of this institution, by paying school fees, buying books, uniforms, shoes, bags and even feeding the pupils in the school and many other things.

We pray that God will reward you and all those who spent their money to the success of this programme.

We wish you and your children a long life and prosperity.

Yours Faithfully,
Alien Sahid Mansaray
Head Master
